

Guideline on Individual Reports on Critical Analysis

Each **individual** should submit a personal written **critical analysis** of each topic (Super-Resolution weeks 3-4 & Generative Adversarial Nets weeks 7-8)

- Marks: 100 marks for **10%** of overall assessment for each report
- Format: The report must be a pdf file. No formatting requirements but each report should be **NO** longer than **2** A4 pages using fonts in 12pts.
- Suggestions: The following questions may be considered to be addressed in your report (give detailed references to support your analysis):
 - What are the main trends on the topic since the publication of the paper discussed?
 - What are the key ideas of related published works since the original publication?
 - What are the main problems solved or improvements over the original work?
 - What are the remaining problems from the published works so far?
 - What is an unsolved problem on the topic most interesting to you to solve and why?
